PUBLIC SESSION & REPORTS TO MEETING

No members of the public present.

.1

County Councillor Tim Davies' report

20mph consultation – Tim Davies noted HCC's consultation 'Have your say on 20mph speed limits across Hampshire' to which Heckfield Parish Councillors and residents have responded.

‘Councillor Edward Heron, Hampshire County Council's Executive Lead Member for Transport and Environment Strategy, says that:

“We are keen to hear from as many residents, businesses and other stakeholders as possible, to find out their views on the implementation of 20mph limits...in the context of other highways priorities and the County Council's statutory duties to maintain the highway in a safe condition within a limited budget.

“The findings from the survey, together with data about use of the highway, speed enforcement, road safety and environmental impacts, will be important in helping to shape future policy relating to 20mph speed limits in Hampshire.”

Localised flooding. Re an upcoming Hart Flood Forum meeting Cllr Davies enquired about any local flooding issues:

1. Bar Lane but this a natural low point, flooding always expected in heavy rain.
2. Blocked culverts

ACTION

to mark on map and report via HCC website as follows:

- Laundry Lane
- School Lane – where watercourse crosses the lane?
- Corner of B3349 northbound turning left into Causeway towards monument. Floods on the corner after significant rain, traffic swings wide to go around it.

40

MINUTES OF PREVIOUS MEETING of 24th May AGM; agreed and signed.

41

CO-OPTION OF NEW PARISH COUNCILLOR

The Parish Council has notified Hart, advertised the vacancy, and received Hart's authorisation to co-opt. James Ashmore attended the meeting as a candidate and agreed he was happy to be co-opted. Proposed Chairman, seconded Paul Burton; unanimously to co-opt James Ashmore as Parish Councillor.

AGREED

Declaration of Office signed and counter signed by the Clerk.

ACTION

Clerk to forward and James to complete a Register of Members' interests form.

42

DECLARATIONS OF INTEREST in items on the Agenda. Ian Bowman declared an interest re item 50.1 Planning, in the event of any discussion relating to his submitted application for solar panels 22/01930/LBC.

44 HIGHWAYS AND TRAFFIC

- .1 B3349 Village Gateways** Simon Richards and Clerk attended site meeting with HCC Traffic Engineer (Safer Roads) 30th August. Draft plans and cost of works will be forwarded for approval. Gateway sign to read 'HECKFIELD Please drive carefully', and to include Heckfield logo – Clerk to forward file to HCC (see below).

AGREED Brenda Hunt will design logo / motif for Heckfield, with thanks of Parish Council.

- .2 'Drifting' at Wellington roundabout** – Dianne Kirk reported the scale of these events continues much reduced compared to during Covid times. Now the occasional instance in wet weather, one or two cars for a short time, much later at night. Previously evening events – large numbers of cars parked up and big groups of spectators causing a danger – seems these events now going to car parks, other places.

Also noting that, while the houses on the corner are closest to the roundabout, those backing onto the B3349 suffer the worst of the noise if cars are accelerating up and down the road.

Recent complaint from resident detailing incidents

- .1 Overnight 16/17th August (email from 00.26 in the morning of 17th) 'As always, reported via the antisocial form for Hart DC.'
- .2 Overnight 2nd/3rd September – (email from 01.09 in the morning of 3rd) 'Yet again, I've just been woken. More wet roads, and the drifters have reappeared again.'

Response from PCSO Nick Greenwood of 4th September (also as detailed at the August PACT meeting) –

'Hampshire Police now have a force-wide operation which is being led by an Assistant Chief Constable specifically looking to target car meets. Managed under the name OP CHROMIUM, each district has a specific point of contact; I have been nominated for Hart. Car meets are now being looked at on a strategic level and as such there is much more of a response should these be reported or we have intelligence to indicate there will be an event.'

Quote 'Operation CHROMIUM' when reporting.

- .3 C6 Odiham Road by Dukes Meadow – Section 278 highways works and speed limit reduction** – Dianne Kirk reported the 30mph limit has been (in part) implemented past Dukes Meadow (extension of 30mph zone southwards from Riseley, then 40mph to the roundabout) but works presently incomplete and signage needs to be moved. Dianne continues in contact with HCC.

Discussion

- 1 No apparent difference in traffic speed – Cars with automatic speed recognition won't register the new 30mph area until the signs are moved – A flashing '30' or 'slow down' sign would have more of an impact.
- ACTION Clerk to contact HCC with request for Speed Indicator Device (SID) site to be authorised at this location. To discuss loan of SID with Mattingley Parish Council. (It is most likely Heckfield will need to apply for its own licence.)
- 2 The former pedestrian island in Riseley opposite the tennis courts – now removed – was at a natural crossing point. The replacement 'road narrowing' has no positive effect – a 'kink' which is pushing traffic to the middle of the road.
- AGREED The Parish Council would support reinstating the pedestrian crossing island (noting this is in Berkshire).
- .4 Bramshill triangle** has been surface dressed, but no substantial road surface repairs. Noted with level of heavy traffic potholes will soon reappear.
- 45 VILLAGE HALL AND COTTAGES**
- .1 Cottage renovation**
- i Invoice for approval** – Part invoice from Barracloughs for £19,960.00 + VAT. The expenditure as detailed in the invoice has been approved by Village Hall Committee at meeting of 6th September. It is in line with and represents 50% of the approved quote, **APPENDIX I**.
- AGREED The invoice is within budgeted Parish Council expenditure for the Village Hall. unanimously the invoice is approved and to be paid asap.
- ii Approval of Conditions application – Village Hall report**
- The first 'Conditions' application submitted to Hart for the LBC renovation. 21/00494/CON (Split decision 30th August) 20 Church Lane, Heckfield. Approval of Conditions 3 – Plasterboard details; 4 – chased in services; 5 – breathable paint; 6 – historic features, and 7 – making good – pursuant to 21/00494/LBC – To repair, renovate and decorate the interior, including the fitting of a new kitchen and bathroom. Also to replace the LPG boiler with an LPG combi boiler enabling the removal of the hot water cylinder. Associated radiators to be renovated/replaced. Complete rewiring starting from new circuit breaker board.
- NOTED Build details supplied to Hart by Barracloughs. Application part-approved with request for further information – Barracloughs will supply – all in hand.
- TO RECORD Appreciation to Brian Baker for persevering with the management of this project. Concern expressed at the level of work / commitment he continues to take on.
- .2 Council tax – Village Hall Report** 21 Church Lane has received a request for Council Tax – the Valuation Office had not previously registered it as a dwelling.
- NOTED 'Enforcement of statutory debts are limited to six years from the date on the liability order (Section 9 of the Limitation Act 1980). Council tax is a statutory debt, so S9 applies, but if a Liability Order is granted and notice to the debtor to their current address is given, then the limitation period for the enforcement power conferred under the Liability Order is extended indefinitely, but the amount owing on the Liability Order may still become a nullity (*Bolsover District Council and another v Ashfield Nominees Ltd* and others [2010] EWCA Civ 112.)' <https://www.nationalbailiffadvice.uk>
- Hart continues to outsource its Finance department. Ward Councillor Anne Crampton has supported the Cottage in negotiating payment.
- 46 ACCESS & RIGHTS OF WAY**
- A number of footways and rights of way are overgrown.
1. Footway to New Inn - strim back brambles and overgrowth.
 2. Permissive path through Coldpiece Woods
 3. Bottom of Church Lane (Old Road South)
 4. Pound Copse FP 502 (note to notify Wellington Riding).

NOTED The Parish Council used all its Lengthsman hours, for last year and this, on the footway beside the B3349 from School Lane to the New Inn. Options are local working parties or to pay for additional LM hours for all but the public right of way.

ACTION Clerk to contact Countryside Services re FP 502 Pound Copse (they did cut this path last year).

47 CHURCHYARD FENCING

The Parish Council previously agreed in principle to share the cost of new churchyard fencing with the VCC. The majority of the work was done by Wessex Fencing summer last year, the Parish Council contribution of half the bill was £1801.

AGREED To pay £50% to the cost of completing the fencing – estimate £325 (£650 total).

48 HECKFIELD MAP

With thanks to Brenda Hunt, for creating an artist's impression of Heckfield.

.2 Accounts to date – Accounts at 5th September **APPENDIX II**

Bank reconciliation at 5th September 2022 – £39,554.46

.3 Budget review

NOTED 1. Village Hall Committee bank account still holds Parish Council funds due to previous Parish Council policy of transferring funds ringfenced for the Village Hall to their account. The amount is £9,850 transferred to the Village Hall account 2017/18.

AGREED To request the Village Hall Committee return these funds.

2. The HCC schedule for the Village Gateways means it is unlikely payment will be in this financial year. This will make £6,000 allocated to Village Gateways available for the Village Hall Cottage renovation. Budget revised forecast **APPENDIX III**.

TO NOTE December Parish Council meeting will agree Budget and Precept for 2023/24.

50 PLANNING

.1 Parish planning applications of note

21/00494/CON (Split decision - 30th Aug) 20 Church Lane, Heckfield.

Village Hall Cottage application discussed at 45.1.ii above.

21/02818/FUL (Refused 3rd Aug) Burlington [formerly Whitewater Stables], Bramshill Road. Replacement dwelling and detached triple garage, following the demolition of six buildings, including the existing dwelling, two barns and three stables.

21/02749/FUL – 'Kiln field solar' – (Granted 22nd July, ref Planning Committee 20th July)

Land Lying To The North Of Vicarage Lane, Hound Green. Construction of a temporary 17.87 MW Solar Farm, to include the installation of Solar Panels with LV switch/transformer, customer switchgear/T Boot enclosure, a DNO substation enclosure, security fencing, landscaping and other associated infrastructure.

22/01106/LBC (Granted 22 July) New Inn. Reconstruction works: Rotten / rotated in-built timbers, extensive cracking to the external brick leaf, loose brick infill panels.

Planning Update **APPENDIX IV**

.2 Hart Planning meetings – Hart Planning are offering online Planning discussions – on various topics as decided or requested. Clerk attending first meeting held in August which largely focussed on Enforcement and was very well received. The next, date tba, will cover 'Previously Developed Land'.

For signature (p4 of 5)

.3 Bramshill House (Note - reportedly been bought by a Canadian film producer.)

.4 Lodge Farm warehousing proposal An Environmental Impact Assessment scoping application (plus a pre-application enquiry) has been submitted to Hart for a site at Lodge Farm, North Warnborough (Odiham Parish) just off A287 Odiham bypass (formerly part of Odiham Deer Park), near by J5 M3 and adjacent to the Whitewater. [22/01347/EIA](#) (Validated 22 June 2022) Land At Lodge Farm, Hook Road, North Warnborough. Request for Scoping Opinion in relation to redevelopment proposals of approximately 32 hectares.

AS AGREED The Parish Council responded to the EIA scoping application, also supporting the strong representations from Hook Parish Council and the Whitewater Valley Preservation Society. **APPENDIX V.**

NOTED County Cllr Tim Davies noted the original intention in the Hart Local Plan to allocate the Pyestock site – formerly National Gas Turbine Establishment, Farnborough RAE – as a logistics centre. Subsequently reallocated for housing as Hartland Village. Also noted the planning application for a warehousing site at Oakdown Farm, Dummer, J7 M3, recently refused by Basingstoke & Deane but with Appeal lodged. Local residents have formed a Lodge Farm opposition group (VOW – Villages Oppose Warehouses), looking to establish itself as a Community Interest Company (CIC). Developers Obsidian have announced their own online public ‘consultation’ for 8th September. General advice has been circulated that, if taking part, to be very mindful of how comments might be interpreted or recorded.

51 FURTHER REPORTS

. Heckfield Parish Council 2 Ash Cottages Newnham Road Newnham RG27 9AF (Objects)

Comment submitted date: Sat 23 Jul 2022

Heckfield Parish Council strongly agrees with the comments made by Hook Parish Council, in particular that: 'The transport assessment should include detailed analysis of predicted vehicle types and assignment of routes and destinations in order that the impact on the local highways infrastructure can be properly and accurately considered,' and that: 'The radius of the traffic assessment must include the area at least as far as Reading.'

Specifically to consider the extent to which the B3349 will be used as a link road to the M4 and Reading – and with an assessment of the Wellington Roundabout, and the Causeway junction with the A33.

Heckfield Parish Council agrees with Hook regarding the unsuitability of the B3349 for increased traffic of any sort. This B class road is already dangerous, over trafficked and over speed. It suffers with greatly increased traffic due large scale housing development which fails to account for or mitigate its impact on infrastructure and communities.

Separately we note the application for a greenfield site to be built upon in a recognised climate crisis and request substantial additional tree planting and the installation of PV panels on all South, East and West facing roofing. Also to consider the need for safe cycling and footpaths connecting communities affected by the development, traffic calming measures to support this, and the reduction in speed for any B class roads suffering increased traffic.
