

HECKFIELD, MATTINGLEY AND ROTHERWICK PCC

Your local Heckfield, Mattingley and Rotherwick (HMR) churches and churchyards are here for you, places of peace and stability, with opportunities to pray, to be still, and be cared for.

Rotherwick

To maintain the ministry and the services, and to preserve these beautiful churches for future generations costs about £130,000 each year.

How you can help

Would you please consider a donation to HMR Parochial Church Council (PCC) to support your local church? The PCC spends around £62,000 each year on ministry (local clergy, as well as contribution to the Diocese and the National church) and a further £65,000 on the upkeep of our churches and grounds, insurances, services and administration.

Many people already generously support us through regular giving, either by direct debit through the Parish Giving Scheme, or by bank standing order, or by the church collections. If you are already a regular giver, then we thank you sincerely for this, but ask whether you might consider raising your level of contribution to help us keep pace with increasing expenditure. If you are not yet a regular giver, then we ask you to consider becoming such or to make a one-off donation.

Details of how to donate by Direct Debit, Standing Order, or one-off payment are shown alongside.
